No business required by this article to secure a license shall be exempt from the payment of said license fee on the grounds that such business is operated for a charitable purpose unless it is organized exclusively for religious, charitable, literary or educational purposes or for the benefit of the community, and no part of the net earning of such business or organization inures to the benefit of any private shareholder or individual.

(Ord. No. 2007-1964, § 13, 12-19-07)

Sec. 6-14.- Computation of license.

Wherever in this article it is specified that the amount of the license, or any part thereof, is to be computed upon the basis of gross receipts of the business, the gross receipts referred to shall be those of the business for the year next preceding the current license year; provided, however, that if said business did not operate the entire preceding year, the gross receipts used to compute the license for the current year shall be the prorated annual gross receipts for the preceding year determined as follows:

- (1) Actual gross receipts for the period of operation during preceding year divided by the number of full months that the business operated during the preceding year multiplied by twelve (12) months.
- (2) A taxpayer engaged in business in other municipalities may account for its gross receipts so that the part of its gross receipts attributable to its branch offices will not be subject to the business license imposed herein. To establish a bona fide branch office, the taxpayer must provide proof of all the following criteria:
 - a. The taxpayer must provide proof of the continuing existence of an actual facility located outside the corporate limits of the City of Pell City in which its principal business office is located, such as a retail store, outlet, business office, showroom, or warehouse, to which employees and/or independent contractors are assigned or located during regular normal working hours.
 - b. The taxpayer must maintain books and records which reasonably indicate a segregation or allocation of the taxpayer's gross receipts to the particular facility or facilities.
 - c. The taxpayer must provide proof that separate telephone listings, signs, and other indications of its separate activity are in existence.
 - d. Billing and/or collection activities relating to the business conducted at the branch office or offices are performed by an employee or other representative of the taxpayer who has such responsibility for the branch office.
 - e. All business claimed by a branch office or offices must be conducted by and through said office or offices.
 - f. The taxpayer must supply proof that all applicable business licenses with respect to the branch office or offices have been issued.

(Ord. No. 2007-1964, § 14, 12-19-07)

Sec. 6-15.- Refunds of overpayments.

- (a) Any taxpayer may file a petition for refund with the city for any overpayment of business license tax erroneously paid to the city. If a final assessment for the tax has been entered by the city, a petition for refund of all or a portion of the tax may be filed only if the final assessment has been paid in full prior to or simultaneously with the filing of the petition for refund.
- (b) A petition for refund shall be filed with the municipality within two (2) years from the date of payment of the subject business license tax.
- (c) The city shall either grant or deny a petition for refund within six (6) months from the date the petition is filed unless the period is extended by written agreement of the taxpayer and the city. The taxpayer shall be notified of the city's decision concerning the petition for refund by first class U.S. mail or by certified U.S. mail, return receipt requested, sent to the taxpayer's last known address. If the city fails to grant a full refund within the time provided herein, the refund petition shall be deemed to be denied.
- (d) If the petition is granted or the city or a court otherwise determines that a refund is due, the overpayment shall be promptly refunded to the taxpayer by the city, together with interest to the extent provided in Section 11-51-92, Code of Alabama, 1974, as amended; provided, however, if the city determines that a refund is due, the amount of overpayment plus any interest due thereon may first be credited against any outstanding tax liabilities due and owing by the taxpayer, and the balance of any overpayment shall be promptly refunded to the taxpayer. In the event a refund or any part thereof is credited to any other tax, the taxpayer shall be provided with a written, detailed statement showing the amount of overpayment, the amount credited for payment to other taxes, and the resulting amount of the refund.
- (e) A taxpayer may appeal from the denial in whole or in part of a petition for refund by filing a notice of appeal with the clerk of the circuit court of St. Clair County, at Pell City. Said notice of appeal must be filed within two (2) years from the date the petition was denied. The circuit court shall have the appeal according to its own rules and procedures and shall determine the correct amount of refund due, if any.

(Ord. No. 2007-1964, § 15, 12-19-07)

Sec. 6-16.- Restrictions on transfer of license; refund not allowed.

No license shall be transferred, except with the consent of the city council, or the director of finance, or other supervisor of revenue, or his/her designee. No license shall be transferred to reflect a physical change of address of the taxpayer within the city more than once during a license year and never from one (1) taxpayer to another. Provided that a mere change in the name or ownership of a taxpayer, i.e., a corporation, partnership, limited liability company, or other form of legal entity now or hereafter recognized by the laws of Alabama shall not constitute a transfer for purposes of this article unless:

- (1) The changes requires the taxpayer to obtain a new federal employer identification number or Department of Revenue taxpayer identification number; or
- (2) In the discretion of the city, the subject license is one for the sale of alcoholic beverages.

No license or portion thereof paid to the city and properly due the city, when paid, shall be refunded to a licensee.

(Ord. No. 2007-1964, § 16, 12-19-07)

Sec. 6-17.- License must be posted.

All persons shall publicly exhibit and display the license certificate issued to them by posting in a conspicuous place where said business, trade or occupation is carried on, and the holder of the license shall immediately show same to the designee of the city upon request. Any transient or nonresident person, firm or corporation doing business within the city shall carry such license either upon his person or in any vehicle or other conveyance which is used in such business, and such person shall exhibit the same to any police officer or other designated authorized agent of the city upon request.

(Ord. No. 2007-1964, § 17, 12-19-07)

Sec. 6-18.- Unlawful to do business without a license; citation authorized.

- (a) It shall be unlawful for any person, taxpayer, or agent of a person or taxpayer to engage in business or vocation in the city for which a license is required without first having procured a license. A violation of this section shall be punishable by a fine not to exceed the sum of five hundred dollars (\$500.00) for each offense, and if a willful violation, by imprisonment not to exceed six (6) months, or both, at the discretion of the court trying the same. Each day shall constitute a separate offense.
- (b) The city clerk and/or the city compliance officer is hereby authorized to issue a citation to compel the appearance of a person before the municipal judge to show cause, if any, why a license has not been paid as follows:
 - (1) When a business continues in operation on and after January 1 without having first paid the license fee, and there is good and sufficient reason to indicate that the business may continue in operation for at least sixty (60) days thereafter;
 - (2) When a business continues in operation after sixty (60) days without having paid the license due; and
 - (3) When a business commences operation without first having paid the required fee to obtain a license.

(Ord. No. 2007-1964, § 18, 12-19-07)

Sec. 6-19.- Penalties and interest.

- (a) All licenses not paid within thirty (30) days from the due date shall be increased by fifteen (15) per cent for the first thirty (30) days, or fraction thereof, of delinquency; and shall be increased by an additional fifteen (15) per cent for a delinquency of sixty (60) or more days. But this provision shall not be deemed to authorize a delay of thirty (30) days in the payment of the license due and may be enforced immediately.
- (b) In the case of persons who began business on or after the first day of the calendar year, the license for such "new business" shall be increased by fifteen (15) per cent for the first fifteen (15) days of delinquency and shall be increased by an additional fifteen (15) per cent for a delinquency of forty-five (45) days or more.
- (c) All delinquent accounts (both license taxes and penalties) shall also be charged simple interest at the rate of one (1) per cent per month.

(Ord. No. 2007-1964, § 19, 12-19-07)

Sec. 6-20.- Lien for nonpayment of license tax.

The city shall have a lien for such license on all property, both real and personal, used in the business, which lien shall attach as of the date when the license is due in accordance with Section 11-51-44, Code of Alabama, 1975, as amended.

(Ord. No. 2007-1964, § 20, 12-19-07)

Sec. 6-21.- Duty to permit inspection/audit and produce records.

Upon demand by the designee of the city, it shall be the duty of all licensees to:

- (1) Permit the authorized representative or designee of the city to enter the business and to inspect all portions of the place or places of business for the purposes of enabling said city designee to gain such information as may be necessary or convenient for determining the proper license classification, and determining the correct amount of license tax.
- (2) To furnish information during reasonable business hours at the licensee's place of business in the city all books of account, invoices, papers, reports, and memoranda containing entries showing amount of purchases, sales receipts, inventory, and other information from which the correct license tax classification of such person may be ascertained and the correct amount of license tax to which he/she is subject may be determined, including exhibition of bank deposit books, bank statements, copies of sales tax returns to the State of Alabama, copies of Alabama Income Tax returns and Federal Income Tax returns.
- (3) It shall be the duty of any person holding a license from the city to secure, preserve, maintain and keep for a period of three (3) years the records and documents enumerated and referred to herein.

(Ord. No. 2007-1964, § 21, 12-19-07)

Sec. 6-22.- Duty to file report.

It shall be the duty of every person subject to a license tax to render to the city a sworn statement on such forms as may be required showing the total business done, amount of sales, gross receipts and gross sales, stock, value of furniture and other equipment, capital invested, number of helpers or employees, amount of space occupied, or other factor described in the schedule, one (1) or several, as the case may require, for the ascertainment of the classification of such person for license taxation purposes and the correct amount of tax to which he/she is subject.

(Ord. No. 2007-1964, § 22, 12-19-07)

Sec. 6-23.- Preliminary assessments by city on incorrect reports; petition for review; appeal.

- (a) If the city determines that the amount of business license tax reported on or remitted with any business license remittance form is incorrect, or if no business license remittance form is filed within the time prescribed, or if the information provided on the form is insufficient to allow the taxing jurisdiction to determine the proper amount of business license tax due, the city shall calculate the correct amount of the tax based on the most accurate and complete information reasonably obtainable and enter a preliminary assessment for the correct amount of business license tax, including any applicable penalty and interest.
- (b) The city shall promptly mail a copy of any preliminary assessment to the taxpayer's last known address by either first class U.S. mail or certified U.S. mail with return receipt requests, or, in the sole discretion of the city, deliver the preliminary assessment to the taxpayer by personal delivery.
- (c) If the amount of business license tax remitted by the taxpayer is undisputed by the city, or if the taxpayer consents to the amount of any deficiency or preliminary assessment in writing, the city shall enter a final assessment for the amount of the tax due, plus any applicable penalty and interest.
- (d) Petition for review.

- (1) If a taxpayer disagrees with a preliminary assessment as entered by the taxing jurisdiction, the taxpayer shall file a petition for review with the municipal license officer within thirty (30) days from the date of entry of the preliminary assessment setting out the specific objections to the preliminary assessment. If a petition for review is timely filed, the license officer of the municipality shall schedule a conference with the taxpayer for the purpose of allowing the taxpayer or its representatives and the representatives of the city to present their respective positions, discuss any omission or errors, and to attempt to agree upon any changes or modifications to the assessment. The license officer shall issue findings of fact and law within sixty (60) days following the conference and consistent with the procedures set forth in subsection (d) above, shall promptly, upon issuance, mail or deliver same to the taxpayer.
- (2) If the taxpayer disagrees with the license officer's findings of fact and law, the taxpayer may appeal to the city council by filing a notice of appeal with the city clerk within thirty (30) days after the findings have been issued. The appeal shall be in writing and shall set forth in reasonable detail the grounds on which the taxpayer disagrees with the license officer's findings of facts and law.
- (3) If a petition for review: (a) is not timely filed, or (b) is timely filed, and upon further review the license officer or city council, as the case may be, determines that the preliminary assessment is due to be upheld in whole or in part, the taxing jurisdiction shall make the assessment final in the amount of business license tax due as computed by the taxing jurisdiction with applicable penalty and interest.
- (4) A copy of the final assessment shall promptly be mailed to the taxpayer's last known address (i) by either first class U.S. mail or certified U.S. mail with return receipt requested in the case of assessments of business license tax of five hundred dollars (\$500.00) or less; or (ii) by certified U.S. mail with return receipt requested in the case of assessments of business license tax of more than five hundred dollars (\$500.00). In either case, at the option of the taxing jurisdiction, a copy of the final assessment may be delivered to the taxpayer by personal delivery.

(Ord. No. 2007-1964, § 23, 12-19-07)

Sec. 6-24.- Failure to file assessment.

- (a) In any case where a person subject to paying a license tax as provided herein fails to do so, the city designee shall be authorized to assess and determine the amount of license taxes due using the best information available either by return filed or by other means.
- (b) The taxpayer shall be notified by registered or certified mail or by personal service of the amount of any such assessment and of his right to appear before the city governing body on a day named not less than twenty (20) days from the date of note and to show cause why such assessment shall not be made final. Such appearance may be made by agent or attorney.
- (c) If no showing is made on or before the date fixed in such notice, or if such showing is not sufficient in the judgment of the city, such assessment shall be made final in the amount originally fixed, or in such other amount as is determined by the city to be correct. If upon such hearing the city designee finds a different amount due than that originally assessed, he/she shall make the assessment final in the correct amount, and in all cases shall notify the taxpayer of the assessment as finally fixed.
- (d) A notice sent via the United States mail, addressed to the taxpayer's last known place of business, shall be sufficient. Any assessment made by the designee of the city shall be prima facie correct upon any appeal.

(Ord. No. 2007-1964, § 24, 12-19-07)

Sec. 6-25.- Procedure for revocation or suspension of license.

- (a) Any lawful license issued to any person to conduct any business shall be subject to revocation by the city council for the violation by the licensee, his agent, servant, or employee of any provision of this article or of any ordinance of the city, or any statute of the State of Alabama relating to the business for which such license is issued.
- (b) A license shall also be subject to revocation by the municipal governing body if the licensee, his agent, servant, or employee, under color of such license violates or aids or abets in violating or knowingly permits or suffers to be violated any penal ordinance of the city or any criminal law of the State of Alabama.
- (c) A license shall also be subject to revocation by the city council if, in connection with the issuance or renewal of any license, the licensee or his agent filed or caused to be filed any application, affidavit, statement certificate, book, or any other data containing any false, deceptive or other misleading information or omission of material fact.
- (d) The condition hereinafter set forth as grounds for the revocation of a license shall also constitute grounds for refusing to renew a license.
- (e) The city council shall set a time for hearing on the matter of revoking or refusing to renew a license. A notice of such hearing shall be given to the licensee or the applicant for renewal, as the case may be, at least ten (10) days before the day set for said hearing. At the hearing the city council shall hear all evidence offered by any party and all evidence that may be presented bearing upon the question of revocation or the refusal of renewal, as the case may be.

(Ord. No. 2007-1964, § 25, 12-19-07)

Sec. 6-26.- Small vendor license.

The city shall establish a small vendor business license which shall not exceed one (1) per cent of the taxpayer's gross receipts derived from within the city for the preceding license year. A "small vendor" shall be defined as a taxpayer that meets all the following criteria:

- (1) The taxpayer purchased a business license from the city with respect to the preceding license year and made a sale or provided services within the city during each calendar quarter of the preceding license year.
- (2) The taxpayer's gross receipts derived from within the city for the preceding license year did not exceed fifteen thousand dollars (\$15,000.00).
- (3) The taxpayer did not qualify for the special delivery license provided by Section 11-51-194, Code of Alabama, 1975, as amended.

(Ord. No. 2007-1964, § 26, 12-19-07)

Sec. 6-27.- Itinerant dealers (local or nonlocal); vendors and other persons making door-to-door sales.

- (a) *License and bond required.* Each person, firm, corporation, company, association, partnership, agency or business who or which has no regular place of business in the city (hereinafter collectively referred to as "vendor"), and (i) who engaged or conducts in the city, either in one (1) locality or by traveling from place to place, including door-to-door sales and solicitations, a temporary or transient business of selling or soliciting orders for the sale of goods or merchandise or personal services with the intention of continuing in said business in the city for a period of not more than three hundred sixty-five (365) days; (ii) who advertise by carrying signs or any other form of advertising, or (iii) who distribute handbills or other forms of advertising materials, shall be required to obtain a business

license and post a bond or to deposit cash in an amount specified in section 6-28 before commencing such business or solicitation.

- (b) *Application.* At least five (5) days prior to the holding of any sale or solicitation, every vendor shall furnish a completed license application in such form as required and containing such information as may be prescribed by the city clerk.
- (c) *Permission.*
 - (1) A vendor must have written permission from the appropriate property owner(s) or lessee(s) to sell or solicit sales from private property or from the front of such property (but shall not include the right-of-way) and shall provide a copy of such written permission to the city at the time of making application.
 - (2) With respect to door-to-door salespersons, such salespersons must comply immediately when asked or instructed by the property owner or resident thereof to leave such private property. Complaints submitted to the city by residents may result in the cancellation of the business license by the city council and forfeiture of the bond, as well as serve as sufficient basis for the city to refuse future license renewals.
- (d) *Hours of operation.* All vendors shall be permitted to sell or solicit sales Monday through Saturday between the hours of 9:00 a.m. and 8:00 p.m. and Sundays between the hours of 12:00 noon and 6:00 p.m., except in the case of door-to-door salespersons who shall only sell or solicit sales Monday through Friday between the hours of 9:00 a.m. and 4:30 p.m.
- (e) *Reporting and remitting sales taxes.* A vendor shall file with the city a verified report of sales and remit all sales taxes to the city within seven (7) days from the close of business or the termination of the vendor's solicitation or otherwise forfeit the vendor's bond.
- (f) *Right to deny or revoke business license.* Failure on the part of a vendor to comply with the provisions of this or other applicable city ordinances, state's laws or promulgated rules and regulations shall be considered sufficient cause for the city council to refuse or withhold the granting of any license, or to revoke same, if granted.
- (g) *Goods, wares, stands, etc., on streets or sidewalks.* It shall be unlawful for any vendor to establish or keep or maintain any articles, wares or both, fruit stand or other stand for any business that projects into or covers or rests on any street or sidewalk of the city, or that retards the free passage of persons or vehicles upon or over the streets or sidewalks or any part thereof.
- (h) *Sale of merchandise from vehicles.* It shall be unlawful for any vendor to sell any goods, products or merchandise from the trunk of any motor vehicle.

(Ord. No. 2007-1964, § 27, 12-19-07)

Sec. 6-28.- Bond required for itinerant dealers, vendors and other salespersons who make door-to-door calls.

For the purpose of securing the payment of any tax, penalties or interest due or which may become due, each dealer, vendor, or other salesperson engaged in the business of selling tangible personal property at retail (hereinafter collectively referred to as "vendor") shall, before soliciting or making any sale in the city, file a bond with the city clerk conditioned upon the payment of any taxes, penalties or interest due on such sales.

Said bond shall be effective for a period of one (1) year from date of issuance and shall be fixed in an amount equal to the tax estimated due or to become due and not less than one hundred dollars (\$100.00) or more than one thousand dollars (\$1,000.00) with surety or sureties approved by the city. Said bond, together with the application for the license, shall be filed with the city clerk or his/her designee.

If such vendor fails (i) to make any report of sales, (ii) remit taxes, penalties or interest due, or (iii) perform any other duty or obligations required by the city, such bond shall be forfeited, and the city shall institute an action for the entire amount of said bond and costs, including attorney's fees.

The city clerk may, for good cause shown, permit a vendor to post a cash bond which shall be subject to the foregoing conditions and provisions to the extent that such conditions and provisions are applicable to a cash bond. The cash bond shall accrue no interest. Upon proper reporting and remittance of taxes due and verification by the city clerk, a cash bond may be refunded upon written request by the taxpayer.

(Ord. No. 2007-1964, § 28, 12-19-07)

Sec. 6-29.- Delivery license.

- (a) In lieu of any other type of license, a taxpayer may at its option purchase a delivery license of one hundred dollars (\$100.00), plus the issuance fee, for the privilege of delivering its merchandise in the city provided the taxpayer meets all of the following criteria:
- (1) Other than deliveries, the taxpayer has no other physical presence within the city;
 - (2) The taxpayer conducts no other business in the city other than delivering merchandise and performing the requisite set-up and installation of said merchandise;
 - (3) Such delivery and set-up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in the city, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer.
 - (4) The gross receipts derived from the sale and any requisite set-up or installation of all merchandise so delivered shall not exceed seventy-five thousand dollars (\$75,000.00) during the license year;
 - (5) Any set-up or installation shall relate only to (i) that required by the contract between the taxpayer and the customer or as may be required by state or local law, and (ii) the merchandise so delivered; and
 - (6) If at any time during the current license year the taxpayer fails to meet any of the above stated criteria, then within ten (10) days after any of said criteria has been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the municipality for the entire license year and without regard to this section.
- (b) Mere delivery of the taxpayer's merchandise by common carrier shall not allow the city to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand dollars (\$75,000.00) limitation described in the preceding paragraph (a) if the taxpayer also during the same license year sells and delivers into the city using a delivery vehicle other than a common carrier.
- (c) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others, shall not be entitled to purchase a delivery license.
- (d) The delivery license shall be calculated in arrears based on the related gross receipts during the preceding license years.
- (e) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the city for purposes of the taxes levied by or under the authority of Title 40, Code of Alabama, or other provisions of law; nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the city.
