Schedule "G" - Electric Company and Gas Company

Amount of license is state regulated. See Section 11-51-129 of the Code of Alabama 1975. For selling or distributing electrical current or natural gas, an amount equal to three percent of the gross receipts of the business transacted in the municipality for the previous year for the sale or distribution of electrical current or natural gas from any point in or into the municipality.

Schedule "H" - Delivery License

The rate for the delivery license is established in Section 21 and is: \$100.00

In lieu of any other type of license, a taxpayer may at its option purchase for \$ 100.00 plus the issuance fee, a delivery license for the privilege of delivering its merchandise in the municipality if the taxpayer meets all of the following criteria:

Other than deliveries, the taxpayer has no other physical presence within the municipality or its police jurisdiction;

) The taxpayer conducts no other business in the municipality other than delivering merchandise and performing the requisite set-up and installation of said merchandise;

) Such delivery and set-up and installation is performed by the taxpayer's employees or agents, concerns the taxpayer's own merchandise in that municipality, and is done by means of delivery vehicles owned, leased, or contracted by the taxpayer;

) If at any time during the current license year the taxpayer fails to meet any of the above stated criteria, then within 10 days after any of said criteria have been violated or exceeded, the taxpayer shall purchase all appropriate business licenses from the municipality for the entire license year and without regard to this section.

Mere delivery of the taxpayer's merchandise by common carrier shall not allow the municipality to assess a business license tax against the taxpayer, but the gross receipts derived from any sale and delivery accomplished by means of a common carrier shall be counted against the seventy-five thousand (\$75,000) limitation described in the preceding section if the taxpayer also during the same license year sells and delivers into the taxing jurisdiction using a delivery vehicle other than a common carrier.

) A common carrier, contract carrier, or similar delivery service making deliveries on behalf of others shall not be entitled to purchase a delivery license.

) The delivery license shall be calculated in arrears, based on the related gross receipts during the preceding license year.

) The purchase of a delivery license shall not, in and of itself, establish nexus between the taxpayer and the municipality for purposes of the taxes levied by or under the authority of Title 40 of the Code of Alabama or other provisions of law, nor does the purchase of a delivery license conclusively determine that nexus does not exist between the taxpayer and the municipality.
