Dear Taxpayer,

Please be aware that the Village of Wheeling recently contracted with Avenu Insights and Analytics ("Avenu") to collect and administer the Village's one percent Places for Eating (i.e., Food and Beverage) Tax. The Village made this change to make it easier for its businesses to pay their taxes each month by providing the option of completing tax returns and paying online or completing a paper copy of the form and mailing it with the payment to Avenu. In addition to providing more payment options, Avenu will provide taxpayers with support for return filing, payment, compliance, and general support for your tax filing needs.

As a result of this change and beginning with the taxes you owe for the month of May (which are due on or before July 1, 2021), you will no longer mail your tax returns to the Village of Wheeling. Instead, you will pay online using Avenu's website or will mail your tax return and payment to Avenu's address noted below. For those who prefer to file and pay online, Avenu offers online filing at www.salestaxonline.com. You may also access online filing through their website at www.avenuinsights.com.

For those who prefer to complete a paper tax return, we have enclosed one for your use. Forms are also available for download at www.avenuinsights.com. If you choose to mail your payment, please send it to the address below:

In the meantime, if you have any questions about Avenu and would like to speak with someone at our company, please contact us at 800-556-7274. Otherwise, if you would like to verify the authenticity of this letter, please contact Mallory Burgess at the Village of Wheeling. She can be reached at 847-459-2600.

Thank you in advance for your cooperation.

Sincerely,

Avenu Insights & Analytics
